RumbleSeat Fee Schedule

Version 1.2 · Effective December 1, 2026

Published at https://rumbleseat.com/legal/fee-schedule/1.2/

This Fee Schedule is incorporated into the RumbleSeat Club Platform Agreement and sets each Plan's prices, billing rules and Optional Services. Section 7 is also incorporated into the Terms of Use and sets the fees for the Marketplace. It is published at rumbleseat.com/legal/fee-schedule, and each prior version stays available at its own dated address. Prices are in U.S. dollars and exclude sales tax, which may apply.

1. Plans

The Plans and prices in this Section apply from January 1, 2027. Until then, Section 4 applies.

Each Club Site subscribes to one Plan. Premium functionality is included only in Club Pro and is not sold separately. The pricing page at rumbleseat.com/pricing is descriptive only and is provided for convenience. It is not part of this Fee Schedule or the Agreement. If the pricing page conflicts with this Fee Schedule or the Agreement, this Fee Schedule and the Agreement govern.

2. Billing

- **No free trial.** A Club may set up and build its Club Site, import records and test features before publishing, with no charge and no card. Club Pro subscription billing begins on the day the Club publishes its Club Site or begins collecting live payments, whichever comes first.
- **Monthly, cancel anytime.** There is no minimum term. A Club that cancels Club Pro keeps it to the end of the month already paid, then moves to Standard.
- **Moving between Plans.** A Club may move from Standard to Club Pro at any time from its club settings, and its site, members, events and content carry over.
- **Leaving Club Pro.** Nothing is deleted. Club Pro settings become read-only, tickets already sold stay valid, and current memberships run to their expiry dates. Storage over 5 GB stays online, but new uploads pause until the Club is under the Standard limit or adds storage.
- **Active Members.** Only active members on the Club's roster are counted. Associate, expired, lapsed and deceased members are not counted, and the Club's own classification governs. The count is taken at the start of each monthly billing period, and members added during a period are counted from the next period.
- **Count disputes.** A Club may question a count within 30 days after the invoice. RumbleSeat will review it and credit any overcharge on the next invoice.
- **Additional storage.** Storage counts files the Club uploads, such as gallery photos, documents and video. Members' own garages, listings and posts do not count. Storage is added and removed in 25 GB increments and billed monthly. At the limit, nothing is removed and the site stays online; new club uploads pause.
- **Non-payment.** RumbleSeat gives notice and 14 days to pay before suspending the Club Site.

3. Transaction fees and payments

- **Rates.** From January 1, 2027, RumbleSeat's transaction fee is 4.9% of each payment collected online on Standard and 1% on Club Pro. Until then, the rate in Section 4 applies. The fee applies from the day the Club turns on payment processing.
- **How the fee is collected.** Stripe deducts RumbleSeat's fee as an application fee from each transaction processed through the Club Site.
- **Stripe's fees.** Stripe charges its own processing fees at its published rates, in addition to RumbleSeat's fee. RumbleSeat does not mark them up.
- **Where the money goes.** Each Club has its own Stripe account. Members pay the Club, every transaction settles in the Club's account, and RumbleSeat never holds Club funds.
- **One price to members.** The Club Site shows members a single all-in price set by the Club, with no separate fee line. The Club may build fees into its prices and is responsible for any pricing disclosure the law requires. Any pricing tool RumbleSeat provides is a convenience, not advice.
- **Refunds and chargebacks.** RumbleSeat keeps its fee on a refund or chargeback unless a platform error caused it.

4. Through December 31, 2026, and choosing a Plan

- **Through December 31, 2026.** Every Club pays no subscription fee and a RumbleSeat transaction fee of 1% of each payment collected online. Stripe's own processing fees still apply. The Plans, prices and limits in Sections 1 to 3 apply from January 1, 2027.
- **Choosing a Plan.** At least 30 days before January 1, 2027, RumbleSeat will notify each Club Owner by email and in the platform. The Club may opt in to Club Pro. A Club that does not opt in moves to Standard on January 1, 2027, and may change Plans at any time afterward under Section 2.
- **Clubs live before October 19, 2026.** If a Club whose Club Site was live on RumbleSeat before October 19, 2026 opts in to Club Pro, its Club Pro subscription fee, including the charge for Active Members above 100, is waived until October 19, 2027. The Club Pro transaction fee of 1% applies throughout.
- **Club-specific commitments.** Commitments made to a particular Club, such as a longer fee waiver or a continued rate, appear in that Club's Special Terms Schedule and override this Section for that Club.

5. Support

	Standard	Club Pro
Help Center at help.rumbleseat.com	Included	Included
Email support	Included	Included
Target reply time	48–72 hours on weekdays	24–36 hours on weekdays
Roster import help	Not included	Included

Support hours are Monday to Friday, 8 am to 5 pm Arizona time (MST). Reply times are targets, not guarantees, and RumbleSeat does not commit to a resolution time.

6. Optional Services

Optional Services are ordered separately, are available on either Plan, and are not part of any Plan's fee. Every Plan includes self-service tools to import members, cars and club records.

Service	What's included	Price
White Glove setup	Website design with the Club's branding, colors and pages; the Club's content moved in (history, bylaws, events, galleries and documents); member roster and car registry imported from the Club's current system or spreadsheets; forum migration where the Club can provide its old forum's data; and two hours of onboarding and training for the Club's officers	$1,999 one-time

If a Club cancels after ordering. White Glove Migration fees are earned as the work is performed. Work begins at the earlier of the kickoff call or RumbleSeat's written confirmation that work has started, sent to the email address Club entered at purchase. Club may cancel before that point at no charge. After that point, Club owes the fees earned for work performed through the date of cancellation. If the Club later cancels Club Pro, everything RumbleSeat built stays with the Club on Standard.

Most White Glove clubs are live in two to three weeks, but timelines are estimates, not commitments. RumbleSeat cannot guarantee that every record, thread, file or image can be imported.

7. Marketplace fees

This Section sets the fees for Listings and Auctions in the Marketplace, which the Terms of Use govern. These fees are paid by individual buyers and sellers, not by Clubs, and they do not depend on any Plan.

Fee	Amount	Paid by
Listing a vehicle or part	No fee	Seller
Commission on a sale	None	Seller
Auction Buyer Premium	4.5% of the winning bid, capped at $4,500	Winning bidder

The Buyer Premium is added to the winning bid at checkout, and the seller receives the full winning bid.

RumblePay. RumblePay is an optional secure payment, lien payoff and title transfer service provided and billed by KeySavvy, a third party. KeySavvy charges $99 per side, plus $99 when there is a loan to pay off. These are KeySavvy's charges, not RumbleSeat fees, and KeySavvy's own terms apply.

8. Changes and versions

RumbleSeat may change this Fee Schedule. For a material change, RumbleSeat gives the Club Owner at least 30 days' notice by email and in the platform before it takes effect. A Club that objects may cancel before the effective date without penalty.
